THE FAMOUS SELTZER SPRING OF GER-MANY in every America home. TARRANT'S SELTZER APERIENT Based upon a scientific analysis of this celebrated German Spring, is its concentrated duplicate, with thirty to forty sparkling doses in each bottle. SOLD BY ALL DRUGGISTS.

Is a Really Reliable Remedy for Wasting and Nervous Diseases.

After numerous eqperiments Mr. Fellows suc-ceeded in producing this combination of Hypo-phosphites, which has not only restored him to health, but has since been found so successful in the treatment of disease emanating from loss of nerve power, and consequently muscular relaxa-tion, yiz:

Aphonia (loss of voice,) Neuralgia. Anemia, Chronic Diarrhoa, Fever and Ague.

Nervous Debitty, Whooping Cough, Paipitation of the Heart, Mental Depression,

MALARIA.

Persons living in Majarlons districts may protect themselves from altacks of fever by the use of FEL-LOWS' COMPOUND OF HYPOPHOSPHITES. Its effects in toping up the system enables us to ward off con-tagious disorders, and successfully combat disease.

The soluble phosphites and the other life sustaining principles composing Fe lows' Hypophosphites are so carefully proportioned and so judiciously mingled, that their action upon the nerves, muscles and membranes in imparting vitality, strength and healthy action is generally apparent within twenty-four hours, and the good effects experienced are of a permanent character. For sale at Harper House Drug Store

PLEA FOR THE HIP POCKET.

EFITOR OF THE ARGUS.-I do not say,

ing the people, as a step towards restoration of caste, I do not think this hidden but I do say that the sentiment among the opinion which led to the enactment of this law, was secretly inspired by the influence of tory minds and flunkey hearts as a means to an end, and that end was the ultimate disarming of the American people, of course I shall be told that there is nothing in this law against bearing arms that the prohibition is only of the concealbe idiotic enough to suppose jesiutism, whether religious or political, would spoil ts plans by exposing them before the time for full fruition. But sometime there will be bills introduced into our leg. islatures, prohibiting the carrying of pistols openly or in secret, and the quiescence of the people under those laws will be cited as a precedent in favor of the new ones. The same arguments advanced in favor of these laws, will be equally valid in advancing those,-indeed as we shall see further on, the clause against concealment in the present statutes, is only inserted to evade that section of our Majna Charta which declares that the right of every man to bear arms, shall not be infringed. These new laws will not be directed against Gregor 5:15 a.m.

Through Sleeping Cars are run on all night trains and small arms only. It will be urged that bearing arms as such, but against pistels The night express leaving Rock Island every sunday night at 11:00 connects with the train arri-ving in Chicago early Monday morning. No lay over checks given on through tickets from Rock sland to Chicago Through tickets only good on the latest the right to bear muskets will and shall be intact, but the constitution says nothing in favor of Colts revolver and it will be perfectly lawful to legislate against them. perfectly lawful to legislate against them. Such a law will be passed at no very dis tant day, if the present furore in favor of the most rigid enforcement of the present laws to-day continued. And then those men who own the elegant little nickle plated denizens of the hip pocket will be compelled to dispose of them al will be compelled to dispose of them al together, or to keep them hid behind the clock case or down celler, where no careless eye may chance to see them. For the right of owning an article implies the right of carrying the same, and when the one is abbrogated the other is rendered void. Then men will become more and more unaccustomed with the same of firearms for game are to see them all the right of carrying the same, and when the one is abbrogated the other is rendered void. Then men will become more and more unaccustomed to the nee of firearms for game are tomed to the use of firearms, for guns are clumsy and costly, and many people can not afford to procure them, and still fewer Morgan Park Military Academy would be able to spend the time necessary to become familiar with their use. Then again, laws will be passed debarring the people from forming societies and bearing the people from forming societies and bearing arms en masse. Later still a license law Cook Co., Ills.

Sept. 13th, 18sl. Send for Catalogue to Capt. Ed. N. KIRK TALCOTT, Principal, Morgan Park Cook Co., Ills. will be passed prohibiting all persons from bearing or possessing arms, who are not

and insignificant. And lastly the license will be increased until only persons of a certain opulence will be able to afford the luxury, and this by throwing all the firearms into the hands of the wealthy classes MOLINE WAGON will render the completion of the Toryist commissioner of patents, that officer des- scheme as easy as rolling off a log, and the cribed, a trade mark as an arbitrary char- grand programme of aristocratic restoration ing, adopted by persons, firms, or corpor-ations for the purpose of identifying the laws against carrying concealed weapons, and the fact seems so self-evident, the This is the inevitable tendency of all goods manufactured by them or of which person must be stupidly blind who does they have the sale. Persons have the not perceive it. Nevertheless there are right to adopt any device or form of words many who profess themselves quite unable right to adopt any device or form of words to believe there can be any harm in such a possessing these characteristics as their law—who can read nothing between the trade marks so long as public property is lines. They pooh pooh the idea that anynot violated. In many cases, the name one would try or would wish to try to curof a person associated with a particular tail the privileges of free-born American trade or business carries with it the good are incapable of possessing hidden will of the establishment with which he meanings, though in ambiguous was connected. If it is the good will terms. Though the uncertainty of simply that is sought, then it should not legal processes is every day made more be registered as a trade mark; but if the glaringly evident. They seem forgetful of the fact that the evident spirit of the Con-

more advanced legislation. Already the rights of the people to bear arms en masse in civil societies, has been contested in the courts, and eminent legal talent-has arraypany leaders of Chicago, not many months ago, though provoking but little comment

straw, showing which way the current of opinion was tending. And it may not "Should Mahone carry through his policy of repudiation in Virginia what is there tizans of monopoly, that the rights of people to bear arms was a standing menace to the Government, and that some license law posed to be identical with "Strong Government,"-in other words, despotism. If I do not know whether the

the republican senators will refuse to back not been subjected to the test of a supreme court examination, nor do I care, up Mahone when he insists, on applying since no decision of any court, whether the proposition to the Federal debt? Why favorable or adverse can have any bearing should not white republicans who pay no on the argument. The constitution of the United States is perhaps the best example in existence of terse expression and rigid simplicity of style. It needs for its comprehension no extensive culture, nor legal education nor exhaustive researches in black letter literature. It demands only a moderate acquaintance with Webster's spelling book, and a small modicium of ply to the address presented to him at common sense. It is so simple straight-Knowsley yesterday, said: "That point forward and honest that the wayfaring was whether Ireland is able to be governed man though a fool can read and understand. It is true that hired shysters and by laws made by Parliament, or by laws hair-splitting gibblers may profess to find known to nobody and written nowhere ex hidden meanings under the most obvious cept in the brains of a few persons and en- texts, but the common sense of the Ameri forced by an illegal arbitrary and self-ap- can people—if not an infalliable guide nearly so at least-has long since declared pointed association which sought to over-rid by organized attempts the free will of Irishmen. It was a question between law and chaos." No fewer than 30,000 appli the literal interpretation of the text is the and chaos." No fewer than 30,000 application forms have been issued under the Land Act, he said, and this led him to anticipate future peace and prosperity. patriotism as well. The fathers of our
